1991 Children aged 0-11

Whether uses any child care arrangements

Frequency of use and cost

Whether employer contributes towards cost, and if so, the amount

Children under 14 1998

Whether uses any child care arrangements, and if so, type and frequency of use

Children aged 0-12

2005 Whether uses any child care arrangements, and if so type and frequency

**COLOUR AND COUNTRY OF BIRTH** 

1971-92 Colour, assessment of persons seen\*

Country of birth

1971-96, 1998, 2000of adults and their parents 1979-96, 1998, 2000-

of children

2000

Year of entry to UK	
adults	1971-96, 1998, 2000- 05
children	1979-96, 1998, 2000- 05
Ethnic origin	1983-96, 1998, 2000- 05
National identity	2001-05
CONCUMED DUDARI FO	
CONSUMER DURABLES	1972-76, 1978-96,
Possession of various consumer durables	1998, 2000-05
Possession of a telephone	1972-76, 1979-96, 1998,
1 033C33IOT OF A TELEPHONE	2000-05
Possession of a mobile telephone: - number available for use	1992, 2000-05
- in whose name each is owned or rented	1992
- whether fitted in a car or van	
Access to the Internet	2000-05
* In all diam abilidasa	
* Including children.  CONTRACEPTION AND STERILISATION	
Whether woman/partner has been sterilised for contraceptive reasons	1983-84, 1986-87, 1989, 1991,
Whether woman/partner has had other sterilising operation	1993, 1995, 1998, 2002
Whether woman/partiter has had other sternishing operation	2002
Details of any reversal of sterilisation operations	1983-84, 1986-87 1983, 1986, 1989,
Current use of contraception/reason for not using contraception	1991, 1993, 1995, 1998,
	2002
	1989, 1991, 1993,
Previous usual method of contraception	1995, 1998, 2002
Use of contraception in the previous 12 months	1989
Use of contraception in the previous 2 years	1991, 1993, 1995, 1998,
	2002
	1993, 1995, 1998,
Use of emergency contraception in previous 2 years	2002 1983-84, 1986-87,
Whether woman/partner would have difficulties in having (more) children	1989, 1991, 1993, 1995,
Reasons for difficulties and whether consulted a doctor about difficulties in getting	1998,
pregnant	2002
DRINKING	40=0 4000 4000
Rating of drinking behaviour according to quantity-frequency (QF) index based on	1978, 1980, 1982, 1984
reported alcohol consumption in the 12 months before interview	1986-98 (alternate
Rating of drinking behaviour according to average weekly alcohol consumption (AC) rating	
Alcohol consumption on the heaviort drinking day in the 7 days before interview	2000-02
Alcohol consumption on the heaviest drinking day in the 7 days before interview	1998, 2000-05

1978-98 (alternate Personal rating of own drinking behaviour yrs), 2000-05 1978-90 (alternate Whether think drinking/smoking can damage health vrs) 1992-98 (alternate Whether non-drinkers have always been non-drinkers or used to drink but stopped, and years), 2000-05 reasons 1992-96 (alternate Whether drink more or less than the recommended sensible amount years) Whether drink more or less now than 5 years ago 1998, 2000-05 **EDUCATION Current education** 1971-96, 1998, 2000-Current education status Type of educational establishment currently attended - by adults aged under 50 1971-81, 1984-90 1991-96, 1998, 2000-- by adults aged under 70 05 - by children aged 5-15 1971-77 Qualification/examination aimed at 1971, 1974-76 Expected date of completion of full-time education 1971-76 Whether intend to do any paid work while still in full-time education, and if so, when 1971-76 Whether currently attending any leisure or recreation classes 1973-78, 1981, 1983, 1993-96, 2000-05 Past education Age on leaving school 1972-96, 1998 1971-96, 1998, 2000-Age on leaving last place of full-time education Type of educational establishment last attended full time 1971-96, 1998 1971-96, 1998, 2000-Qualifications obtained Job training Whether currently doing a trade apprenticeship 1971-84 Identification of persons seriously thinking of taking a course of training or education for a 1973-74 particular type of job, with some details of the course and the source of any financial Students in institutional accommodation 1981-87 Estimate of numbers of full-time students at university or college living away from home in institutional accommodation, and therefore excluded from the GHS sample **ELDERLY** Whether any relatives living nearby: - persons aged 60 or over 1979-80 - persons aged 65 or over 1994 Persons aged 65 or over: 1980, 1985, 1991, - whether need help in getting about inside the house and outside, and with a range of 1994. personal and household tasks 1996, 1998, 2001 - if help is needed, who usually helps 1980, 1985, 1991, - frequency of social contacts with relatives and friends 1994.

- use of public transport	1998, 2001
<ul><li>use of health and personal social services</li><li>difficulty with sight and whether wears glasses or contact lenses</li></ul>	1980, 1985, 1987, 1991, 1994,
amounty that orgin and throates would glasses of contact foreco	1998, 2001
difficulty with hearing and whether wears an aid	1980, 1985, 1991, 1994,
- difficulty with hearing and whether wears an aid	1998, 2001
- whether needs a regular daily carer	
- whether lives in sheltered accommodation	1998, 2001
- when illness started to limit activities	
- health compared to a year ago	2001
- Council Tax band for households containing person(s) aged 65 or over	
EMPLOYMENT	
Those currently working	
Main job - occupation and industry	1971-96, 1998, 2000- 05
- employee/self-employed	00
Subsidiary job - occupation and industry	1971-78, 1980-84
- employee/self-employed	1987-91
Last job - occupation and industry	1986
- employee/self-employed	
Whether has a second job	1992-96, 1998
Whether present job was obtained through a government scheme	1989-92, 2005
Youth Opportunities Programme Schemes	1982-84
- identification of young persons aged 16-18 receiving training or work experience	
through the Youth Opportunities Programme or Youth Training Scheme	
Youth Training Scheme	1985-95
- identification of young persons aged 16-19 who were on the YTS and whether they	
were working with an employer or at college or training school	
Journey time to work	1971-76, 1978
Usual number of hours worked per week (excluding overtime)	1971-96, 1998, 2005
Hours of paid/unpaid overtime usually worked per week	1973-83, 1998
Usual number of hours worked per week (including paid/unpaid overtime)	2000-05
Usual number of days worked per week	1973, 1979-84
Number of days worked in reference week	1977-78
Length of time with present employer/present spell of self-employment	1971-96, 1998, 2000- 05
Whether self-employed during the previous 12 months	1986-91
Number of changes of employer in 12 months before interview	1971-76, 1979-91
Number of new employee jobs started in 12 months before interview	1977-78, 1983-91
Source of hearing about present job started in 12 months before interview	1971-77, 1980-84
Source of hearing about all jobs started in 12 months before interview	1974-77, 1980-84

Whether paid by employer when sick	1971-76, 1979-81
Whether employer is in the public/private sector	1983, 1985, 1987
Trade Union and Staff Association membership	1983
Whether people work all or part of the time at home, reasons for doing so, whether employer makes any financial contribution to expenses of working at home, equipment provided by employer	1993

Whether has ever been a company director	1987
Type of National Insurance contribution paid by: - married and widowed women	
aged 16 or over	1972-79
aged 16-59	1980
- married, widowed and separated women	
aged 16-59	1981-82
aged 20-59	1983
Level of satisfaction with present job as a whole	1971-83
Level of satisfaction with specific aspects of present job	1974-83
Whether thinking of leaving present employer, and if so, why	1971-76
Whether signed on at an Unemployment Benefit Office in the reference week, either to claim	1984-90, 1994-96
benefit or to receive National Insurance credits	
Absence from work in the reference week	
- reasons for absence	1971-72, 1974-84
	1971-72, 1974-80,
- length of period of absence	1984
- number of working days off last week	1981-84
- whether absent because of illness or accident, and length of absence	1973
<ul> <li>whether in receipt of National Insurance sickness benefit (and supplementary allowance) for the absence</li> </ul>	1971-76
allowance) for the absence	
Sickness absence in the four weeks before interview	1981-84
Sickness absence in the 3 months before interview	1992
Whether registered as unemployed in the reference week (if had worked less than full week)	1977-82
Unemployment experience in 12 months before interview	1975-77, 1983-84
Economic activity status 12 months before interview and, if economically inactive, then reasons for (re-)entering the labour force	1979-81
Economic activity status 12 months before interview, including whether a full-time student	1982-91, 2005
and working	
Whether in employment prior to present job, and if so, whether that job was full/part time and reasons for leaving	1986
Whether on any government schemes	1985-96

Usual job of father	
- of all persons aged 16 or over	1971-76
- of persons aged 16-49 in full-time or part-time education	1977-78
- of all persons aged 16-49	1979-89
- of all persons aged 16-59	1989-91
Those currently unemployed	1971-96, 1998, 2000-
Most recent job - occupation and industry	05
- employee/self-employed	
Whether most recent job was obtained through a government scheme	1989-92 1986-96, 1998, 2000-
Whether has ever had a paid job	05
Whether has ever worked for an employer as part of a government scheme	1989-91
Whether registered as unemployed in the reference week	1971-83
Methods of seeking work in the reference week

- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job  Whether last job was full/part time Length of current spell of unemployment	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998
<ul> <li>- would they have been able to start within 2 weeks if a job had been available</li> <li>For those who in the reference week were waiting to take up a new job already obtained</li> <li>- would they have started that job in the reference week if it had been available then, or would they have chosen to wait</li> <li>- when was the new job obtained and when did they expect to start it</li> <li>Whether paid unemployment benefit (and supplementary allowances) for reference week</li> <li>When last worked and reasons for stopping work</li> <li>Reasons for leaving last job</li> <li>Whether last job was full/part time</li> </ul>	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986
- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job  Whether last job was full/part time Length of current spell of unemployment	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998
- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job  Whether last job was full/part time Length of current spell of unemployment Unemployment experience in 12 months before interview	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998 1975-77, 1983-84
- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job  Whether last job was full/part time Length of current spell of unemployment Unemployment experience in 12 months before interview  Economic activity status 12 months before interview and, if economically inactive then,	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998 1975-77, 1983-84
- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job  Whether last job was full/part time Length of current spell of unemployment Unemployment experience in 12 months before interview  Economic activity status 12 months before interview and, if economically inactive then, reasons for (re-)entering the labour force  Economic activity status 12 months before interview, including whether a full-time student	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998 1975-77, 1983-84
- would they have been able to start within 2 weeks if a job had been available  For those who in the reference week were waiting to take up a new job already obtained - would they have started that job in the reference week if it had been available then, or would they have chosen to wait - when was the new job obtained and when did they expect to start it  Whether paid unemployment benefit (and supplementary allowances) for reference week  When last worked and reasons for stopping work Reasons for leaving last job Whether last job was full/part time Length of current spell of unemployment Unemployment experience in 12 months before interview  Economic activity status 12 months before interview and, if economically inactive then, reasons for (re-)entering the labour force  Economic activity status 12 months before interview, including whether a full-time student and working	1977-82 1979 1971-74 1971-73, 1974-79, 1986 1981-82, 1986 1986 1974-96, 1998 1975-77, 1983-84 1979-81

Whether on any government schemes	1985-96, 1998, 2000- 05
Whether does any unpaid work for members of the family and if so:	
number of hours a week and where	1993-96, 1998, 2000- 05
for whom and type of work	1993-96
Whether has ever been a company director	1987
Type of National Insurance contribution paid in the preceding two completed tax years by married, widowed, and separated women aged 20-59, who were not working in the week before interview	1982-83
Usual job of father	
- of all persons aged 16 or over	1971-76
- of persons aged 16-49 in full-time or part-time education	1977-78 1979-88
- of all persons aged 16-49 - of all persons aged 16-59	1989-92
The economically inactive	
Major activity in the reference week	
Last job - occupation and industry	1971-96, 1998, 2000- 05
- employee/self-employed	
Usual job (of retired persons)	
- occupation and industry	1973-76, 1979-88
- employee/self-employed	
When finished last job	1971-73, 1977-78, 1986
	1971-73, 1978-82,
Reasons for stopping work	1986 1972-83
Whether registered as unemployed in the reference week  Whether signed on at an Unemployment Benefit Office in the reference week, either to	1984-90, 1994-96
claim benefit or to receive National Insurance credits	1001 00, 1001 00
Whether paid unemployment benefit (and supplementary allowance) for reference week	1972-74
Whether would like a regular paid job, whether looking for work, and if a job had been	1991-96, 1998, 2000- 05
available would they have been able to start within 2 weeks	03
Length of time currently out of employment	1993-96, 1998, 2000- 05
Length of time currently out of employment	00
Main reason for not looking for work	1986-87
Whether would like regular paid job	1986-87 1986-96, 1998, 2000-
Whether has ever had a paid job	05
Whether has had a paid job in last 12 months	1987-91
Whether has ever worked for an employer as part of a government scheme	1989-91
Whether has had a paid job in previous 3 years	1986
Whether last job was full/part time	1986
Unemployment experience in 12 months before interview	1975-77, 1983-84
Economic activity status 12 months before interview (persons aged 16-69)	1980-81
Economic activity status 12 months before interview including whether a full-time student and working	1982-91

Number of new employee jobs started in 12 months before interview Source of hearing about all jobs started in 12 months before interview	1977, 1984-91 1977
Whether on any government schemes	1985-96, 1998, 2000- 05
Whether does any unpaid work for members of the family and if so:	
number of hours a week and where	1993-96, 1998, 2000- 05
for whom and type of work	1993-96
Whether has ever been a company director	1987
Type of National Insurance contribution paid in the preceding two completed tax years by married, widowed and separated women aged 20-59, who were not working in the week before interview	1982
Future work intentions, including whether would seek work earlier if satisfactory arrangements could be made for looking after children	1971-76
Usual job of father	
<ul><li>- of all persons aged 16 or over</li><li>- of persons aged 16-49 in full-time or part-time education</li></ul>	1971-76 1977-78
- of all persons aged 16-49	1979-88
- of all persons aged 16-59	1989-92
FORESTS Whether ever visits forests or woodland areas, facilities visitors would like to see there	1987
HEALTH	
Acute sickness (restricted activity in a two-week reference period)	1971-76, 1979-96,
Prevalence and duration of restricted activity*	1998,
	2000-05
Causes of restricted activity*	1971-75
Number of days in bed and number of days of (certificated) absence from work/school*  Help from people outside household with housework or shopping	1971-76 1971-74
Chronic health problems	1977-78
Prevalence of chronic health problems	
Constant effects of chronic health problems (eg taking things easy, using prescribed/non-	
prescribed medication, watching diet, taking account of weather)  Contact with health services in 12 months before interview because of chronic health problems	
Effect of chronic health problems in the 14 days before interview (eg resting more than	
usual, using presribed/non-prescribed medication, changing eating or drinking habits, cutting down on activities, consulting GP, seeking advice from other persons)	
Chronic sickness (longstanding illness or disability)	
Prevalence of longstanding illness or disability*	1971-76, 1979-96, 1998,
	2000-05
Cause of the illness or disability*	1971-75

When the illness or disability started\*

1971

Type of illness or disability*	1988-89, 1994-96, 1998,
Type of filliess of disability	2000-05
Prevalence of limiting longstanding illness or disability*	1972-76, 1979-96, 1998,
When it started to limit activities and whether housebound or bedfast because of it*	2000-05 1972-76
Dental health	
Whether has any natural teeth	1983, 1985, 1987, 1989,
	1991, 1993, 1995, 2003
To those aged under 18, how long since last visit to the dentist, and whether registered with a dentist	1993, 1995
How long since last visit to the dentist*	1983, 2003
Treatment received*	1983 1983, 1985, 1987,
Whether goes to the dentist for check-ups, or only when having trouble with teeth*	1989, 1991, 1993, 1995, 2003
General health in the 12 months before interview	
People aged 16 and over  All persons*	1977-96, 1998 2000-05
Hearing Difficulty with hearing and whether wears an aid:	
Hearing	1977-79, 1981, 1992, 1995, 1998, 2002
Hearing Difficulty with hearing and whether wears an aid:	1977-79, 1981, 1992, 1995, 1998, 2002 1980, 1985, 1991, 1994,

1977-79, 1981-82,
- persons aged 16 or over
1987,
- persons aged 65 or over
1994, 1995, 1987,
- 1991,
1994, 1998, 2001

Whether wears glasses or contact lenses\*

Whether obtained new glasses in previous 12 months and number of pairs\* 1987, 1990-94

Whether had a sight test in previous 12 months\*

Whether sight test was NHS or private

Whether sight test was paid for by informant or employer, provided free by optician, or
covered by insurance

1990-94

Whether obtained any ready made reading glasses in the previous 12 months 1992-94

Types of contact lens worn, and whether obtained through NHS or privately

Reasons for trying contact lenses 1982

Reasons stopped wearing contact lenses

Care of contact lenses

#### Tinnitus (sensation of noise in the ears or head)

1981

Prevalence of tinnitus, frequency and duration of symptoms, whether ever consulted a doctor about it

#### **HEALTH SERVICES**

#### Day patient visits

Number of separate days in hospital as a day patient in the last year\*

Whether NHS or private

1992-96, 1998, 20001995-96, 1998, 20001995-96, 1998, 20001995-96, 1998, 20001995-96, 1998, 20001995-96, 1998, 2000-

#### GP consultations

Consultations in the two weeks before interview:

number of consultations\*

1971-96, 1998, 2000-NHS or private\* 05

type of doctor\*

site of consultation\*

cause of consultation\* 1971-75
whether consulted because something was the matter, or for some other reason\* 1981

whether consultation about reported longstanding illness or restricted activity\*

1983-84, 1986-87 1981-96, 1998, 2000-

whether was referred to hospital\*

whether was given a prescription\*

1981-85, 1988-90

\* Including children

whether was given National Insurance medical certificate

1981-85
whether saw a practice nurse and, if so, the number of times\*

2000-05

Access to GPs: 1977

whether own doctor worked alone or with other doctors whether could usually see doctor of own choice at surgery most recent consultation at surgery:

- when it took place
- NHS or private
- by appointment or not
- how far ahead appointment made
- time spent waiting at surgery
- attitudes towards waiting time for appointment, waiting time at surgery, and length of consultation

Whether has used NHS Direct in the last year

2004-05

#### Health and personal social services

Use of various services:

 - by adults and children
 1971-76

 - by persons aged 60 or over
 1979

 - by persons aged 65 or over
 1980-85, 1991, 1994,

1998, 2001

#### Inpatient spells

Spells in hospital as an inpatient in a three-month reference period:

number and length of spells\* 1971-76
NHS or private patient\* 1973-75

Stays in hospital as an inpatient in a 12-month reference period:

1982-96, 1998, 2000number of stays\*

05
1992-96, 1998, 2000number of nights on each stay\*

05

NHS or private patient 1982-83, 1985-87, 1995-96, 1998, 2000-

, 1998, 2000-05

whether private patients were treated in an NHS/private hospital

whether claimed for under private medical insurance

1982-83, 1987

Whether on waiting list for admission to hospital and length of time on list\* 1973-76

#### Outpatient (OP) attendances

Attendances at hospital OP departments in a three-month reference period:

 number of attendances\*
 1971-96, 1998, 2000 

 number of attendances\*
 05

 NHS or private
 1973-76, 1982-83,

 NHS or private
 1985-87,

1995-96, 1998, 2000-

nature of complaint causing attendance\* 1974-76
whether claimed for under private medical insurance 1982-83, 1987, 1995

1995-96, 1998, 2000number of casualty visits\* 05

Appointments with OP departments: 1973-76 whether had (or was waiting for) an appointment\*, how long ago since told appointment would be made\* HOUSEHOLD COMPOSITION Age\*, sex\*, marital status of household members 1971-96, 1998, 2000-Relationship to head of household\* Family unit(s) Housewife 1971-80 \* Including children **HOUSING (see also MIGRATION)** Accommodation: amenities Length of residence at present address\* 1971-96, 1998, 2000-Age of building Type of accommodation Number of rooms and bedrooms Whether have separate kitchen Bath/WC: sole use, shared, none 1971-90 WC: inside or outside the accommodation Installation/replacement of bath or WC 1971-76 Cost of improvements made to the accommodation 1973-96, 1998, 2000-Floor level of main accommodation 05 Whether there is a lift Central heating and fuel use 1971-96, 1998, 2000-Whether have central heating Type of fuel used for central heating 1978-92 1993-96, 1998, 2000-Type of fuel mainly used for central heating 1978-81, 1983, 1985 Type of fuel mainly used for room heating in winter **Accommodation problems** 2004-2005 Including Damp, Dark, Noise Pollution and Crime **Housing costs** Gross value 1971-86 Net rateable value (Scotland only) 1971-86 Yearly rate poundage (Scotland only) 1972-86 Type of mortgage 1972-77, 1979, 1981, 1984-86 1972-77, 1979, 1981, Current mortgage payments 1984 Purchase price of present home, amount of mortgage or loan and date mortgage started 1985-86, 1992-93 1972-77, 1979, 1981 Current rent Amount of any rent rebate/allowance and/or rate rebate received 1985-95, 1998, 2000-Whether in receipt of housing benefit

Whether rent paid by DSS or local authority  Method of obtaining mortgage tax relief  Council Tax band for households containing person(s) aged 65 or over	1998, 2000-05 1984 2001
Tenure	
Whether present home is owned or rented	1971-96, 1998, 2000- 05
Whether in co-ownership housing association scheme	1981-95
Change of tenure on divorce or remarriage Change of tenure on marriage or cohabitation	1991-93 1998
Housing history of local authority tenants and owner occupiers who had become owners in the previous five years	1985-86
Whether ever rented from a local authority, and if so, whether bought that accommodation, source of finance, whether have since moved and distance moved	1991-93
Owner occupiers:	
- in whose name the property is owned	1978-96, 1998, 2000- 05
- whether property is owned outright or being bought with a mortgage or loan	1971-96, 1998, 2000- 05
- how outright owners originally acquired their home	1978-80, 1982- 83,1985-86 1978-80, 1982-
- source of mortgage or loan	86,1992-93
<ul> <li>whether currently using present home as security for a (second) mortgage or loan of any kind, and if so, details</li> </ul>	1980-82, 1992-93
* Including children	
- whether owner occupiers with a mortgage have taken out a remortgage on their present home, and if so, details	1985-87, 1992-93
<ul> <li>whether recent owner occupiers had previously rented this accommodation and, if so, from whom and for how long</li> </ul>	1981-82, 1985-86
- whether had rented present accommodation before deciding to buy	1992-93
- whether previous accommodation was owned and if so, details of the sale	1992-93
Renters:	4007.00.4000.0000
- in whose name the property is rented	1985-96, 1998, 2000- 05
- from whom the accommodation is rented	1971-96, 1998, 2000- 05
- whether landlord lives in the same building	1971-72, 1975-76, 1979-96, 1998, 2000- 05
- whether have considered buying present home and, if not, why not	1980-89
- tenure preference	1985-88
- whether previously owned/buying accommodation and reasons for leaving	1995-96
Local authority renters:	
- whether expect to move soon, and if so, whether expect to rent or buy	
- whether expect to buy present home	1990-91
- landlord preference - awareness of Tenants' Choice Scheme	
anaronoso di Tonanto Ondico Oditonio
